SUBJECT	Request for Funding from the Coromandel Bowling Club

1 Purpose of Report

To present the Coromandel-Colville Community Board with a request from the Coromandel Bowling Club for a contribution towards renovation of their clubroom and purchase of furniture.

2 Background

- Local community organisations are invited annually to apply for financial assistance to undertake projects of benefit to the community. Community Grants are budgeted for in the Ten Year Plan or Annual Plan each year and community groups must comply with the set criteria to be eligible for a Community Grant.
- Each Community Board follows a procedure for assessing and allocating the Community Grant funds with a final decision determining the allocation at an Ordinary meeting of the Board.
- The Community Board confirmed its annual grants allocation at its 9 September 2014 meeting.

3 Issue

The Community Board has a contestable fund of \$17,500 for allocation to community groups for the 2014/15 year as per the Annual Plan.

During the Annual Grants funding round for 2014/15 the Community Board allocated \$13,300 of its annual budget, leaving a remaining budget of \$4,200.

4 Discussion

The Community Board is now asked to consider an application for funding from the Coromandel Bowling Club to assist with the renovation of their clubroom and purchase of new furniture.

5 Suggested Resolution(s)

That the Coromandel-Colville Community Board:

1. Receives the report.
2. Confirms if it wishes to provide a grant to the Coromandel Bowling Club.
