Subject: hearing of the submissions by Pauanui Dream Estate Ltd and others. District Review Hearing

Dear Lisa,

I note your advice of a hearing of the submissions by Pauanui Dream Estate Ltd and others.

I have looked through the planner's report and note that the recommendation is to accept the submissions these parties lodged to the Residential zone that applies to the properties fronting Panorama Parade.

Because of this I do not consider it necessary to attend or be represented at the hearing. I am happy with this recommendation.

Please could you arrange to read this email out to the Hearings Panel.

Also, kindly acknowledge receipt of this email.

Yours sincerely,

Greg Needham

on behalf of Pauanui Dream Estate Ltd.
