Dear Trustees,

I am writing to confirm the Thames-Coromandel District Council's intention to apply for a \$50,000 grant to assist with the funding of the proposed new Thames Skate Park.

I am happy to confirm that the Thames Community Board has resolved to apply for public grants but these resolutions are not specific to the Trust/s being approached. As such please accept this letter as Thames-Coromandel District Council mandate to submit an application for \$50,000 from The Lion Foundation for the construction of a new skate park.

Please do not hesitate to contact the writer if you have any queries in relation to this letter.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "David Hammond".
