Recruiting and Retaining Volunteers

Workshop Facilitator - Lorraine Hooper - Volunteering Waikato

Finding the right volunteers for your programme is more than simply locating warm bodies. Knowing exactly the kind of volunteers you seek, and ensuring that you keep them, will reap positive recruitment rewards.

Many organisations give their volunteers plenty of reasons to leave - make sure your organisation is not one of them!

This workshop will cover:

- Know who and what you're looking for
- Planning a targeted campaign
- Getting the right message to the right people
- Why volunteer motivation matters
- Key principles of volunteer connection
- Rewarding the behaviour you want, in ways that they will appreciate

Date: Wednesday, 25 March, 2015, 10am-2.30pm

Venue: Council Meeting Room, Thames Coromandel District Council
355 Kapanga Road, Coromandel
