Dear Lisa

PROPOSED THAMES COROMANDEL DISTRICT PLAN 2013 – HEARING OF SUBMISSIONS: 10 – 12 MARCH 2015

Further to your email advice dated 20 February 2015 with respect to the above, on behalf of Progressive Enterprises Limited (PEL) and having now read the Officers section 42A Hearing Report on definitions, I advise that PEL does not wish to appear at the hearing to speak to its submission.

However, on behalf of PEL, we request that this letter be tabled at the hearing for consideration by the Hearings Panel.

Definition of Supermarket

PEL is disappointed to note that the Planning Officer persists with the view (paragraph 123) that supermarkets are similar to other retail such as department stores and hardware stores. As explained in our letter dated 17 October 2014 a supermarket is quite different to other forms of retail. PEL considers that a supermarket definition should be included in the Proposed District Plan and it asks that the Hearings Panel give careful consideration to this matter. PEL's original submission included a definition for such and it is requested that this matter be re-visited.

Should you have any queries or wish for further elaboration regarding the foregoing please do not hesitate to contact the undersigned.

Yours faithfully
