

# **Coromandel Great Walks Project Definition**

---

**TO** Economic Development Committee  
**FROM** Ben Day - DCE  
**DATE** 18 May 2015  
**SUBJECT** **Coromandel Great Walks Project Definition**

---

## **1 Background**

At the previous Economic Development Committee meeting staff were asked by the Committee to present a comprehensive Project Definition for the Coromandel Great Walks Project.

## **2 Issue**

A new Project Definition has been developed, which requires approval from the Economic Development Committee before progressing to the Council for final approval.

## **3 Discussion**

The EDC were very keen to also see a "Plan B" based on the scenario of "no Lotteries funding" and what could be achieved with the resources of the Council and the Department of Conservation.

The Project Definition will be tabled prior to the EDC meeting for Committee review and sign-off.

## **4 Suggested Resolution(s)**

That the Economic Development Committee:

1. Receives the 'Coromandel Great Walks Project Definition' report dated 18 May 2015.
2. Approves the Coromandel Great Walks Project Definition for final Council ratification
