SUBJECT	Non-notified Resource Consent Comments Summary

1 Purpose of Report

To inform the Community Board of resource consent applications that were referred to it by the Planning Group within Council and any comments made by its delegated members.

2 Background

At its Inaugural meeting held on 4 November 2013 the Tairua-Pauanui Community Board delegated authority to two Community Board members, the responsibility for commenting on planning matters relating to resource consents and any matters relating to new/renewal leases.

3 Issue

On behalf of the Community Board the delegated representative will provide comment on local knowledge and issues that may be relevant to each referred resource consent application and provide written comment to the Thames-Coromandel District Council Case Officer within 5 working days of receipt of the Internal Reference Sheet.

4 Discussion

- In addition to any comments provided the nominated representative should seek the wider views of the Community Board where they consider it is appropriate, for example in situations where the issue is likely to have a high level of community significance.
- It is recommended that, where practical, the delegated representative seek comment from the Area Manager.
- The nominated representatives will report to the Community Board on the resource consent applications that have been received and the extent of comments that have been made through this report to the Community Board on the meeting Order Paper.

5 Suggested Resolution(s)

That the Tairua-Pauanui Community Board:

1. Receives the report.
