

Coromandel-Colville Community Board

2014/15 Work Programme - June 2015 Update

Project	Responsibility	Actions	Progress to Date
PLANNING FOR THE FUTURE			
Strategic Planning: Communities and Council planning for a sustainable future			
Community Board Plan	Area Manager Thames/Coromandel	Progress the Coromandel-Colville Community Board Plan	
Land Use Management: Providing a framework that implements and supports appropriate land use management			
District Plan Review	District Plan Manager	Participate and provide input as appropriate	Hearings concluded on 21 May and the District Plan Hearings Panel is now in the deliberations phase. Recommended decisions are expected from the Panel around the end of the year.
HEALTHY AND SAFE COMMUNITIES			
Emergency Management: Enhance the Community's capability to respond to and recover from disasters			
Emergency Response Plan	Emergency Response Unit Area Coordinator Coromandel	Support the Emergency Response Unit in the development of a community-driven Emergency Response Plan for Coromandel Town Northern Coromandel Communications Plan	No further action since discussed at the Board's December workshop. Local systems tested during cyclone Pam.
Community Health and Safety: Ensuring our communities are clean, safe and healthy places to live			
Bylaws	Strategic Planning	Participate and provide input as appropriate	Parking Control: Amendments to the Parking Control Bylaw are scheduled for changes to be resolved by Council at its June meeting. This includes changes for Sugarloaf Wharf and Hannafords Jetty Freedom Camping: Strategic Planning are preparing a report for the August Council meeting to recommend a limited review of the Freedom Camping Bylaw, to include primarily the areas registered on the Strategic Planning Freedom Camping Issues Register. This will include the Carey Road restrict area at Port Charles. Should Council agree to a limited review of the bylaw, staff will undertake the review in the first half of the 2015/16 year, including targeted public consultation.

			<p>Dog Control: Dog Control Policy and Bylaw review will now undergo a second round of public consultation to seed further submissions on the proposed changes. It is anticipated this review will now be completed in the first half of the 2015/16 year.</p>
ROADS AND FOOTPATHS			
District Transportation: Provide safe, reliable and accessible transport routes around the District with consideration for the environment and walking and cycling facilities			
Waikawau Bridge No. 3	Roading Manager	This project is part of the bridge renewals programme and has been carried forward from the 2013/2014 year	Bridge replacements to take place from 29 June - 13 July.
Waikawau Bridge No. 4	Roading Manager	Replacement of the existing bridge being weight restricted and in a poor condition	Bridge replacements to take place from 29 June - 13 July
Woollams Ave Carpark - Tiki Road Access Improvements	Roading Manager	To improve vehicle flows through Coromandel Town, including provision of two-way access from Tiki Road to Woollams Avenue and a roundabout at the Tiki/Wharf/Kapanga Road intersection.	Complete - a small section of kerb had to be replaced at the contractors cost as it was laid partially on private property.
Investigation into improvements to the Albert Street Bridge	Roading Manager	Investigation into the Albert Street Bridge as current weight restrictions does not permit heavy vehicles	Investigation report detailing what work is required on this bridge is due by 30 June.
Local Transportation: Create and maintain accessible and safe pedestrian facilities that help keep our towns attractive			
Footpath Rehabilitation	Roading Manager	For renewal of existing footpaths	No outstanding work for Coromandel
Footpath Construction	Roading Manager/Parks Officer	To progress stage one of a footpath extension along Long Bay Road from Coromandel Town.	Long Bay Road Footpath - stage one - to be constructed by end of June.
Streetlight Improvements	Roading Manager	For improvements to new street lighting.	One heritage light (last of the Kendillier stock) has been installed. One more heritage light will be installed by the end of June once the pole has arrived from the supplier.
Streetlight Renewals	Roading Manager	For renewal of existing street lights, including use of LED lanterns	Streetlight renewals are completed as identified by Northpower routine inspections or RFS'
COMMUNITY SPACES			
Cemeteries: Ensuring there are adequate burial facilities throughout the District			
Buffalo Cemetery - improvements to parking	Programme Manager	To progress stage one works to provide better	No work undertaken to date. At risk as

		parking for the users of Buffalo Cemetery	the District budget is currently prioritised for Totara Park where there has been a car park slump that requires immediate remedial action.
Community Centres and Halls: To provide facilities for people to get together and take part in a range of activities			
Continued improvements to the Coromandel Citizens Hall	Area Coordinator Coromandel	To provide for continued improvements of the Hall, establishment of a Hall Committee to drive the on-going restoration and improvements.	Repairs to the western wall progressing well, to be completed by the end of June.
Libraries: To support a range of library services in our District			
Coromandel Library	Area Coordinator Coromandel	A Community Service Agreement is in place to support the on-going provision of this Library	Submission made to LTP.
Parks and Reserves: Provide a mix of park and reserve facilities in keeping with the natural character of the District			
Coromandel Sportsville	Programme Manager	To consider the construction of new netball courts at the Coromandel Area School, in place of the courts at Patukirikiri Reserve.	<ul style="list-style-type: none"> • Business Case to be developed this financial year. • First order of business will be to organise the proposed users to establish a Trust and get this group working on fundraising.
Tree Planting - Coromandel Town	Parks Officer	To cover the replacement of vandalised trees and a small extension to existing plantings in Coromandel Town	Donations have been obtained for the purchase of 22 Maori Princess Pohutukawa street trees. Planting to take place in June with emphasis on replacing trees in Rings Road
COMMUNITY DEVELOPMENT			
Economic Development: Through partnerships and working with others, continue to support tangible economic development opportunities in our District			
Coromandel Great Walks	Area Manager Whangamata/Tairua-Pauanui	Design and consenting to progress this project	
Coromandel Harbour Facilities	Chief Executive	To plan for the on-going development of harbour facilities to service the current and future needs of all Coromandel Harbour users	<p>Stakeholder working group forum held 2 June 2015. Inner Harbour Facilities Business case progressing to final draft stage.</p> <p>Information Memorandum being developed as a means of identifying possible co-funders.</p> <p>TCDC and CMFA negotiating detail of MOU related to Sugarloaf wharf facilities development.</p>

Social Development: Collaboration with other agencies is important to enable efficient use of resources and better coordinate and target social development investment			
Community Grants	Area Coordinator Coromandel	Allocate annual Community Grant funding in accordance with guidelines and criteria	Applications for the 2015/16 Grants will open from 1 July 2015.
WATER SERVICES			
Stormwater: Stormwater systems collect and dispose of stormwater to limit the effects of surface water ponding			
Coromandel Renewals	Water Services Manager	For renewal and reactive works associated with existing assets	
Water: Clean and safe water is one of the essential needs of the community			
Coromandel Renewals	Water Services Manager	For renewal and reactive works on existing assets.	
Wastewater: Collecting, treating and disposing of wastewater or sewage from properties and businesses			
Coromandel Renewals	Water Services Manager	For renewals and reactive works associated with existing assets.	
Coromandel Pump Station Upgrades	Water Services Manager	To upgrade the pump station in Coromandel	
Coromandel Treatment Plant Improvements	Water Services Manager	Upgrade works at the Coromandel Wastewater Treatment Plan to ensure compliance with new consent standards	The major thing to note is this project and contract completion date has been revised to be completed in the middle of July (carried over to 15/16). This is the result of an increase in rainfall which has delayed the embankment trimming and compacting. Poor subsurface conditions in pond 5 has also increased the required time to complete this project.
Oamaru Bay Renewals	Water Services Manager	For renewal and reactive works associated with existing assets	
Solid Waste: Provide for rubbish to be properly disposed of to protect public health and the environment			
Reuse Centre Investigation	Solid Waste Manager	To support the creation of a reuse centre at the Coromandel Transfer Station	Council has acquired the landlocked parcel 278m2 in the middle of the RTS. Draft title plans for the block have been received, of which part is to be vested in Council. This has been forwarded to DoC for comment. Vesting process is expected to take some time.

RTS Renewals/Miscellaneous Improvements/Transporter Bins, Compactor Replacements, Molok Replacements and Community Litter Bins	Solid Waste Manager	Participate and provide input as appropriate
