

# **Appointment to the Coromandel Arts & Creative Industries Advisory Board**

---

<b>TO</b>	Whangamata Community Board
<b>FROM</b>	Michelle Baker - Creative Communities Scheme Administrator
<b>DATE</b>	28 October 2016
<b>SUBJECT</b>	<b>Appointment to the Coromandel Arts &amp; Creative Industries Advisory Board</b>

---

## **1 Purpose of Report**

This report seeks an appointment by the Whangamata Community Board to the Coromandel Arts & Creative Industries Advisory Board.

## **2 Background**

On 29 June 2016 Council resolved to endorse the Coromandel Arts and Creative Industries Strategy and to establish the Coromandel Arts and Creative Industries Advisory Board. The strategy had been developed over the preceding year, driven predominantly by the various arts communities and tangata whenua around the peninsula with council staff playing a role in facilitation and creation of the final strategy. Council is now a partner to this strategy, with the intention of the last Council being that community boards would hold the primary responsibility of engaging with tangata whenua and the arts communities in their respective areas to develop agreed action plans and to undertake work on these action plans across a set timeframe.

The structure for the advisory board provides for the Whangamata Community Board to make one appointment from the Whangamata Community Board area who has completed an expression of interest application for that available role.

The South East Coromandel Arts Council was also able to make an appointment to the advisory board and they have chosen John Norris as their representative.

## **3 Discussion**

The sole expression of interest for the Whangamata Community Board area was from Terry Walker (Attachment A). Staff recommend the appointment of Terry Walker to the Whangamata Community Board area position.

## **4 Suggested Resolution(s)**

That the Whangamata Community Board:

1. Receives the 'Appointment to the Coromandel Arts & Creative Industries Advisory Board' report dated 27 October 2016
2. Appoint Terry Walker to the Whangamata Community Board area position on the Coromandel Arts and Creative Industries Advisory Board for the term of three years.
