1 Meeting conduct

1.1 Apologies

All members were present.

1.2 Public forum

Roger Buchannan - Whangamata Croquet Club

Mr Buchannan presented a proposal to re-locate the Whangamata Croquet Club to Mayfair Reserve in Whangamata in order to accommodate an expanding club membership. He clarified that he was aware of existing reserve tenants and noted neither the community garden area nor the area used by the equestrian club would be affected should his proposal be approved.

Mayor Goudie asked if the Whangamata Croquet Club had considered any other reserves and Mr Buchannan explained that Park Avenue Reserve was initially chosen as a possible location but was dismissed mostly due to plumbing and drainage concerns.

Judy McPherson - Onemana security cameras

Ms McPherson spoke against a proposal to install security cameras in Onemana and expressed disappointment that Council appeared to be supporting this proposal made by the Onemana Ratepayers Association (ORA) without having first consulted with the wider Onemana population. She noted that ORA did not have a mandate to speak for all of Onemana residents, especially regarding matters she believed could breach the Privacy Act. She explained that there was no evidence that Onemana had any issues with crime and questioned the need for security cameras in the area.

The Board Chair clarified that no formal decision had been made to install security cameras in Onemana and assured Ms McPherson that her community would be consulted.

Helen McCabe - Proposed community facility

Ms McCabe spoke in support of the collaborative proposal to establish a community facility at 101 Lindsay Road, Whangamata. She urged the Board to support this proposal which was being led by the Whangamata Community Marae Committee and involved the Lions Club, Menz Shed, Community Patrol, Community Services Trust and the Arts Collective.

41/17 **Resolved**

WCB That the Whangamata Community Board receives Roger Buchannan, Judy McPherson and Helen McCabe as speakers in the public forum.

Moved/seconded by: Walker/Adams

2 Governance

2.1 Endorsement 17/18 Whangamata Work Programme

The Community Board was asked to make any necessary amendments and endorse the Community Board's 2017/2018 Work Programme.

The Chair requested that the Whangamata Work Programme be returned to the next meeting with individual project risk levels clearly identified using the colour key on the current document.

Williamson Park and Wentworth Valley were noted as potentially higher risk items and a request was made by the Board to consider this in the updated programme for 15 August 2017.

The street light budget was confirmed as the LED replacements which would be locally funded but would receive a significant (85%) central government subsidy. The Chair requested that details of the subsidy percentage be incorporated into the updated 17/18 Whangamata Work Programme.

44/17 Resolved

- WCB** That the Whangamata Community Board:
1. Receives the 'Endorsement of Whangamata Community Board 2017/2018 Work Programme' report, dated 19 June 2017.
 2. Endorses the Whangamata Community Board 2017/2018 Work Programme but requests an updated Work Programme be presented at the 15 August 2017 meeting with completed risk ratings and details of the percentage of subsidy for the LED street lighting programme.

Moved/seconded by: Thompson/Baker

2.2 Council Leasing Policy review

The Community Board was presented with the revised Leases and Licences to Occupy Policy for endorsement. Also presented for the Community Boards' consideration was the total quantum of rates which were not currently on-charged to lessees and were met by each Community Board.

There was support for the stipulation which would allow Community Boards' discretion when determining which organisation required support in paying rates and those who may have sufficient revenue to bear the cost themselves.

45/17 Resolved

- WCB** That the Whangamata Community Board:
1. Receives the 'Council Leasing Policy review' report, dated 20 June 2017.
 2. Endorses the revised Leases and Licences to Occupy Policy included as Attachment A to the agenda report.
 3. Recommends that Council rescind its 30 September 2009 resolution:
"Defers charging Rates and Service Charges specified in Attachment A until such time as the Land Leases Policy is reviewed".

Moved/seconded by: Walker/Thompson

2.3 Late item - Whangamata Community Services Trust and Arts Collective requests to retain 2016-2017 community grant funds

The similarities between the original grant application from the Community Services Trust and the revised version were noted. Both applications were to support the facilitation of a programme which would benefit the Whangamata community.

46/17 Resolved

WCB

That the Whangamata Community Board:

1. Receives the 'Late item - Whangamata Community Services Trust request to retain 2016-2017 community grant funds', report dated 3 July 2017.
2. Approves the Whangamata Community Services Trust's request to retain and re-allocate its original 2016/2017 community grant funds towards a new programme called 'Manaaki Tangata' and specified that funds be used for training.

Moved/seconded by: Baker/Walker

A letter accompanying the declaration of expenditure from the Arts Collective was tabled. The Board was asked to consider the Arts Collective's request to retain and re-allocate its original community grant to contribute towards the purchase of a laptop and printer. The original grant was awarded as a contribution towards the annual fee for the Whangamata App but development of the App had been delayed and no annual fee payments had been required.

The Board was advised by staff that the purchasing of assets such as laptops and printers did not meet the criteria for the Community Grant Scheme.

47/17 Resolved

WCB

That the Whangamata Community Board:

1. Declines the Arts Collective's request to retain and re-allocate its original 2016/2017 community grant for the purchase of a laptop and printer.
