Dear Brian,

The Heritage Events Trust's application to NZ Community Trust for funding has been declined. The funds are required for marketing and promotion of the Thames Heritage Festival in March 2018, and the quotes we received for printing total \$1,677.85.

I am writing to request a Grant from the Community Board for \$1,500.00 to cover these costs.

Also, the Heritage Events Trust is preparing for an exhibition in November 2018 titled "Women of Empire - The Homecoming". The Trust requests that the Community Board underwrite this for \$6,000.00.

Thank you,
