To Brent Turner

Kia ora Brent

At the last TRRA meeting there was a request made to name the reserve between the bowling club and the Manaia Bridge in Tairua, the Derek Boyd Reserve. This is where a memorial seat (donated by the Tairua Community and made and carved by Roger Harwood,) and a memorial tree (donated by WRC) is to be placed and dedicated on the 22 November 2017.

We understand that this reserve is currently 'un-named' and believe it would be a tribute to Derek's work and energy over the years. We are also happy to work with The Community Board/ TCDC to process this request and achieve this goal.

Looking forward to hearing about this request.

Thanks-

Regards Allie
