Whangamata

### Request For Funding From The Whangamata Community Board

Enterprise Whangamata would like to make a request to the Whangamata Community Board for \$1000 financial assistance towards the replacement of the community surf board on the village green located on the reserve land outside the Whangamata Area Office.

In 2014 Enterprise Whangamata in association with the community erected a promotional mural of Whangamata together with a 12 foot surf board for visitor photo opportunities. Since then the surf board has been replaced twice, due to their very high use. These surf boards were kindly donated by a local businessman.

The cost of the surf board is \$900 and installation costs of \$100.

The surf board has become quite an iconic tourist attraction, with thousands of visitors having their photos taken whilst standing on the board and in front of the promotional mural.

Regards
