

Parking Control Bylaw Schedule A Amendments

TO	Mercury Bay Community Board
FROM	Matt Lamb - Roading Engineer
DATE	27 March 2018
SUBJECT	Parking Control Bylaw Schedule A Amendments

1 Purpose of Report

For the Community Board to consider amendments to local parking controls in the Mercury Bay Community Board area as set out in Schedule A of Council's Parking Control Bylaw 2014, and determine to recommend to Council that applicable amendments be made.

2 Background

Council's Parking Control Bylaw was reviewed in 2014 and Council adopted a revised bylaw at its meeting on 19 November 2014. Amendments can be made to the bylaw Schedule A (local parking controls) by Council resolution. The last amendments were made on 12 December 2017.

3 Issue

A request has been raised recently in relation to local parking controls set out in Schedule A of the bylaw. Amendments may be made to Schedule A to address the matters raised, if and as considered appropriate. The Mercury Bay Community Board should consider the matters and if amendments are considered appropriate, then make a recommendation to Council to resolve to amend Schedule A accordingly.

4 Discussion

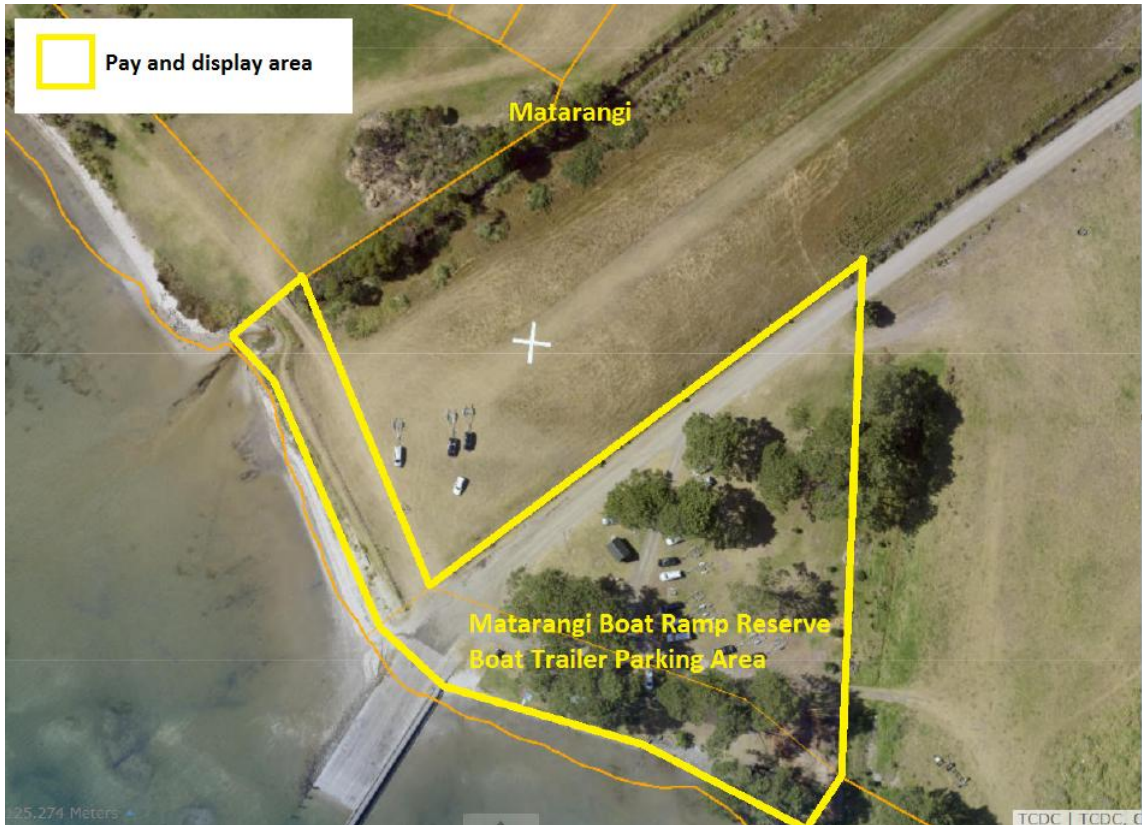

There is a requested change that has been raised in the Mercury Bay Community Board area as detailed in Table 1 and Diagram 1, below. These are explained below including the applicable parking control(s) as currently specified in Schedule A of the bylaw, who raised the issue/requested change, reason for requested change, and staff comment/advice.

Amendments to parking controls that staff recommend, are set out in Diagram 1 of this report, in the form set out in Schedule A of the bylaw.
