Dear Margaret

On behalf of the Hauraki House Management Committee I would like to apply to the Coromandel-Colville Community Board to pay our rates for 2018/19 to 2020/21.

The majority of our user groups provide a service to the local community and rely on grants and donations to cover a high proportion of basic running costs. In recent years it has become increasingly difficult to source funding and any further burden on these groups could well see their services cut drastically which in turn would have an impact on the community. The Hauraki House Management Committee sets the rents for each user group and is aware of the hardship that any increase in rent would have during this current economic climate for groups reliant on external funding.

If you require any further information please do not hesitate to contact me.

Yours sincerely

Nicky Johnston
