1.2 Public forum

Geoffery Robinson spoke to the Community Board regarding Harriet Kings Road as an unmaintained council road. Mr Robinson requested that the Community Board support the maintenance of Harriet Kings Road and inclusion in the Long Term Plan for year one.

Reihana Robinson spoke on behalf of residents near the estuary at Port Charles. Their land was being washed away with the coastal inundation. The Community Board commented that there would be formal consultation for the Reserve Management Plan Review process and there would be full opportunity for public to submit to that process.

Spike Mountjoy spoke on behalf of the Youth Sailing Academy of Colville. Mr Mountjoy advised the Youth Sailing Academy wanted a base at Otautu Bay for the boats as they sail from Otautu Bay and had to trailer the boats from Colville to Otautu each time.

Roy Fraser spoke on behalf of the Colville Community Facility Project, and requested that the Community Board support their submissions to the Long Term Plan.

Carol Sutherland spoke on behalf of the McGregor Bay Wetland Society. Ms Sutherland advised that the submission portal had been difficult to use for the Reserve Management Plan consultation.

Leanne Jeffcoat spoke regarding the need for road maintenance on Wharf Road, Colville, particularly where it joins the bridge. Ms Jeffcoat noted her concerns regarding rocks that had been dumped and her concerns regarding trees on the edge of Colville Road that have the potential to fall and block the road during storms. The Community Board advised Ms Jeffcoat to lodge a request for service regarding her concerns.

Lena McLeod presented her ideas to the Community Board that she felt had potential to assist with employment in the Colville and outlying areas:

- Wilding pines - Christmas trees for charity, young people to cut the trees and give them away or sell them and give money to local charity.
- Would like a walking track on the paper road that goes to Te Whau point, that could provide a walk from the motel.
- Requested that there be a sign erected that says 'please protect our Patiki' with a picture of the bird.
- Wanted to organise a working bee with volunteers with sandbags for future flood events for the low lying areas of Colville, but requested direction on where to get the sand.

- There was a new electrician in the area, and by way of introducing the electrician to the community, there was an offer of a free wiring check for the houses in the community.
- Wanted to investigate an ecotourism walking track through the old road on the Whitestar Station through to the Colville foreshore.
- Commented that there could be an earth sciences opportunity with unique geological areas in the vicinity.

13/18 Resolved

CCCB That the Coromandel-Colville Community Board receives Geoffrey Robinson, Reihana Robinson, Spike Mountjoy, Roy Fraser, Carol Sutherland, Leanne Jeffcoat and Lena McLeod in the public forum.

3 Reports

3.1 Action schedule

Community Hub Facility - Member Autumn provided an update of a meeting held with Mike Noonan, Coromandel Independent Living Trust and asked that consideration be given to a

Memorandum of Understanding between Council and CILT to identify how the project could be progressed with consideration to this being a partnership project between the two parties.

The District Manager North advised that he had been working with CILT and a further meeting had been organised with legal and property staff to understand what is required and how this can be progressed.

17/18 Resolved

CCCB That the Coromandel-Colville Community Board receives the 'Action Schedule' report, dated 9 February 2018.

Moved/seconded by: Stephenson/Autumn

3.2 2017-2018 Work programme

18/18 Resolved

CCCB That the Coromandel-Colville Community Board receives the '2017-2018 Work Programme update' report, dated 22 March 2018.

Moved/seconded by: Pritchard/Autumn

3.3 Members' Reports

Chairperson Pritchard noted that the Coro 200 project had kicked off with a meeting of a group of enthusiastic members of the community. It was noted that the group had discussed events and commemorative plaques that could be held in both Coromandel Town and Colville, as these were the two areas in the Ward that had a direct historical connection with the HMSS Coromandel.

Member Autumn expressed concerns raised with her regarding the Solid Waste contractor's handling of recyclables. The Community Manager advised that the Solid Waste Contract Manager was meeting with Smart Environmental staff to address the concerns being raised.

Member Autumn advised she had attended the parks and reserves tour for the Reserve Management Plan review and found it very informative.

Member Stephenson attended the Parks and Reserves tour for the Reserve Management Plan review.

Member Walker advised that as the Chair of the Coromandel Emergency Services Trust he had requested a meeting with Council property staff to discuss concerns they had with regard to an increase in their lease rental.

19/18 Resolved

CCCB That the Coromandel-Colville Community Board receives the Members' reports.
