SUBJECT	Proposed Road Names - Opito Development Ltd, 822 Black Jack Road, Opito Bay

1 Purpose of report

To consider an application for the naming of one road for a new subdivision within the Mercury Bay Ward, located at 822 Black Jack Road, Opito Bay.

2 Background

The road would service the development known as Opito Sands Subdivision of 822 Black Jack Road. The developer, Sue Edens has put forward the name below along with a brief reason and/or meaning:

- **Joyce Place** Skippers Road was named after Skipper Chapman (R A Chapman) the father of Sue Edens (nee Chapman) and was a significant character in the history of Opito Bay and developed the subdivision at the northern end of Opito having farmed properties there inherited from his family. Joyce Chapman was his wife and Sue's mother. This family are part of the iwi for the area and this naming further recognises this and their close relationship with Ngati Hei. Having both Skipper and Joyce recognised in the roads of this area reinforces their relationship and recognises the pioneering farmers of this area.

3 Issue

All the roads within the District, whether private or Council owned require an approved road name.

4 Discussion

The proposed name put forward meets AS/NZ4819:2011 standards and no similar names exist currently within the District Road Index.

No other consultation has been completed or deemed required.
