**RENEWAL OF LEASE FOR 200 MARY STREET, THAMES**

The Trustees of Destination Coromandel Trust wish to exercise our right of renewal for the lease of premises at 200 Mary Street, Thames, for the next three (3) year term though until 30-06-2021.

We also acknowledge that it is Destination Coromandel's intent to continue to operate the Thames i-SITE information centre from the above location as we have had no indication from either Thames Coromandel District Council or our community board that they wish to change this location. Destination Coromandel operates the information centre under contract from Thames Coromandel District Council and therefore cannot unilaterally determine its location.

Please advise the Board in writing of any intent to exercise a rent review if applicable.

Yours sincerely
