To whom it may concern:

Thrive Coromandel Trust

As a local organisation delivering community services to the Upper Coromandel for over two decades, Coromandel Independent Living Trust (CILT) supports the initiative of the Thrive Coromandel Trust (TCT) to develop a 5 year business plan for the sustainability of the Coromandel Information Centre.

At present the Information Centre is a tenant of CILT in the restored Samuel James Building, and so it is in CILT's interests that it continue as a strong, useful and respected provider in the heart of the town.

CILT has absolute confidence that TCT will provide the governance necessary to guarantee a continuance of the Information Centre's service, and will be happy to support TCT wherever and whenever we can.

Mike Noonan
Executive Trustee
