285 Preeces Point Road
Coromandel

3rd September 2018

Dear Sir/Madam,

The members of the Thames Coromandel Charter Boat Assn who are mooring holders and have been invoiced for annual commercial wharfage fees on a per metre rate, are informing you that we will be withholding payment.

Our reasoning behind this is because we feel that the facilities at the Town Wharf are unusable for this group of members.

We would welcome further discussion on this matter.

Yours faithfully

Tom Meyers

President
