

Proposed Road Name - Stage 10 Whitianga Waterways Limited

TO	Mercury Bay Community Board
FROM	Lachlan McHaffie – Senior Planner
DATE	1 October 2018
SUBJECT	Proposed Road Name – Stage 10 Whitianga Waterways Limited

1 Purpose of report

To consider an application for the naming of a road for a new subdivision within the Mercury Bay Ward.

2 Background

This road would service the new development known as Stage 10 of Whitianga Waterways off 190 and 200 Joan Gaskell Drive, Whitianga. The developer has put forward two names which are listed below along with a brief reason and/or meaning:

- **Rēwiti Drive** – the developers preferred option. Surname of whanau who have been resident in the area for generations. Associated with Ngati Hei and have actively been involved in the community. They were instrumental in getting Whitianga Waterways Ltd through the consent process and lobbied hard behind the scenes and publicly for its approval.
- **Onerere Drive** – English translation is 'flowing sands'.

3 Issue

All the roads within the District, whether private or Council owned require an approved road name.

4 Discussion

All proposed names put forward meet AS/NZ4819:2011 standards and no similar names exist currently within the TCDC roads index.

The developers have indicated that consultation was undertaken with Ngati Hei.

5 Suggested resolution(s)

That the Mercury Bay Community Board:

1. Receives the 'Proposed Road Name - Stage 10 Whitianga Waterways Limited ' report, dated 1st October 2018.
2. Recommends that Council approve the road name **Rēwiti Drive** for the Stage 10 road indicated within Attachment A.
