1 Meeting conduct

1.1 Apologies
All members were present.

1.2 Public forum
Mr Ron Morgan congratulated the Board on its fitness trail initiative. He tabled a series of proposed Tuia 250 commemoration marketing material including a replica Tuia 250 dollar bill and a postcard. He asked the Board if it would consider including a fireworks or a boat light display as part of the Tuia 250 commemoration. He raised concern that the Coromandel visitors’ guide had publicised November as the date for the Tuia commemoration activity in Mercury Bay, when the official powhiri was scheduled for October. As a consequence, he was aware overseas visitors had booked to be in Mercury Bay to experience the commemoration in November, and he hoped there would be sufficient activity and entertainment for them to enjoy. He suggested that any future communication about the commemoration should clearly note dates of the scheduled activities.

1/19 Resolved
That the Mercury Bay Community Board receives Mr Ron Morgan as a speaker in the public forum.
