1.2 Public forum

Bernard Bowen tabled a proposal to install floodgates or a flood-flushing system on the seaward side of Whitianga’s Carina Creek Creek. He noted it would be best to position it at the mouth of the culvert pipe, on Esplanade or where the culvert enters the harbour. In his proposal he also noted that with minimal effort and spend, the area could become a recreational asset.

Brian Baker tabled a petition which showed support for the installation of a one-way bridge at Whenuakite (Dalmeny’s Corner). In his presentation, Mr Baker explained that during the peak season, the wait times to cross the current bridge could be up to one hour.

The Board noted it understood the urgency of this matter and explained it had been raised at Council and was now being actioned as a priority project.
